### **REASONS FOR ALLOWANCE**

The following is an Examiner's Statement of Reasons for Allowance:

Any comments considered necessary by applicant must be submitted no later than the Payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

The references do not anticipate the claimed processes. In addition, the references alone or further in view of each other do not suggest or motivate one of ordinary skill in the art to prepare a multilayer immobilized enzyme polyethyleneimine aggregate by employing the specified range of aggregate to matrix load.

Thus, the instant claims are unobvious and patentable over the art of record.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Examiner Lilling whose telephone number is 571-272-0918** and **Fax Number** is (703) 872-9306 or SPE Michael Wityshyn whose telephone number is 571-272-0926. Examiner can be reached Monday-Thursday from about 5:30 A.M. to about 3:00 P.M. Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.
